Dear Ph.D. Candidate

Greetings from the Department of Physics, IIT Hyderabad.

This email is regarding the interview for **PhD Admission (Experimental Condensed Matter Physics and Optics/Lasers/Photonics/Spectroscopy)**.

Please find the details of your online interview for the Ph.D. program.

Note:- Please acknowledge if you are attending by replying to this mail.

Date: 21-05-2026(Thursday)

Time Slot: 9-00 AM onwards

Waiting Room: <https://meet.google.com/gra-kqte-oht>

Or dial: (US) +1 812-727-7507 PIN: 144 570 583#

- Please log in to the waiting room link 10 minutes before the interview time. The technical team will take attendance.
- Wait patiently until your name/number is announced. **Do not engage in conversation** with other candidates while waiting.

Interview Room: Link 2 (will be provided in the waiting room link).

- Join the interview room using the link **ONLY** after your name/number is announced.
- Do not join early. If you do, you will be removed automatically and may not be able to join again.
- Once your interview is over, please **log out** immediately from the interview link.

Important Instructions:

- Prepare a **short PowerPoint presentation** (maximum three slides) as per the attached template.
- Keep a notepad and marker/sketch pen ready in case you're asked to write answers.
- In case of **emergencies or specific queries before/during** the interview, please contact Mr. Vasu(9963843993) or Mr. Ranjit Kumar(9030273215).

For any **post-interview queries**, please email: office@phy.iith.ac.in

Best wishes
